SELF REFERRAL TO PHYSIOTHERAPY FOR MUSCULOSKELETAL PROBLEMS

DO YOU NEED PHYSIOTHERAPY TREATMENT?
If you are having any of the following problems:
- Back or Neck Pain
- Recent Strain and Sprain
- Joint or Muscle Pain

You can refer yourself directly to Physiotherapy without seeing your GP (providing you are registered with a local authorising G.P practice).

HOW TO ARRANGE A PHYSIOTHERAPY APPOINTMENT:
1. Complete the attached self-referral form fully – (Please note you can only self refer for one complaint).

2. The attached referral must then be returned to the Physiotherapy Booking Centre at Warwick Hospital via post, fax, email or hand delivery – see contact details below.

3. 5 days after the Physiotherapy Booking Centre has received your referral form please telephone 01926 608068 to book your appointment - (Please note: the booking centre co-ordinates appointments for all South Warwickshire’s NHS Physiotherapy Clinics.)

NOTE: WE ARE UNABLE TO ACCEPT REFERRALS OVER THE PHONE AND WE CANNOT BOOK YOU AN APPOINTMENT UNTIL WE HAVE RECEIVED YOUR REFERRAL FORM

The referral form must be either emailed, faxed, posted or hand delivered to:
Physiotherapy Booking Centre, Warwick Hospital, Lakin Road, Warwick, CV34 5BW

Fax: 01926 482641
Email: therapies@swft.nhs.uk

What can I do to help myself in the meantime?
Research has shown that resting for more than a day or two does not help and may prolong pain and disability. However you may need to modify your activities initially.
Changing your position or activity frequently throughout the day will help prevent and reduce stiffness.
Over the counter painkillers can be helpful. A pharmacist will be able to advise you on the appropriate tablets.
**SELF REFERRAL TO PHYSIOTHERAPY**
