Worldwide School Closure Help

Using Twinkl during the Coronavirus Shutdown
Schools across the globe are responding to the outbreak of the Coronavirus and governments take further measures to stop the spread of COVID-19.

We've not only created home learning and school closure packs, but have also introduced an offer for all of them to be completely free. Whether you're a teacher, parent or home educator we've put together a simple step by step guide about this offer of help, for you to use. This guide is not designed to override or replace any official guidance, but is intended to advise on using the Twinkl website during this period.
