

**CHILDREN, YOUNG PEOPLE & FAMILIES**  
**PHYSIOTHERAPY TEAM**

**ELIGIBILITY CRITERIA**

The child should present with physical difficulties which is evident in their gross motor development, balance and stability or strength. Difficulties in these areas may impact on their ability to meet milestones or develop gross motor skills at home, in leisure activities or at school.

The child should present with physical and or/ mobility difficulties that impact on their gross motor skills within those environments and need assessment.

They should be...

- Children and young people aged 0 – 18 or 19, if in special education, or in receipt of child benefit.
- Children in permanent residence within Warwickshire and/or a Warwickshire GP.
- Children whose parents/carers pay council tax to Warwickshire where the main reason for referral relates to adaptations and equipment for the home environment.
- Children not resident within Warwickshire, but attending a Warwickshire school and the main reason for referral relates to problems in physical education or with mobility problems accessing the school environment.
